Sanika Bhagwan Patil

Full Stack Web Developer and Prompt Engineer

I'm a passionate Full-Stack Web developer and Prompt Engineer currently in my fourth year of pursuing a Bachelor's degree in Computer Engineering. With a strong foundation in both frontend and backend technologies, including Java, HTML, CSS, JavaScript, and Node.js, I have developed several personal projects that showcase my skills. I am eager to apply my knowledge in a professional setting and contribute to innovative projects. In my free time, I enjoy coding, drawing, blogging, and reading.
